

\$2 Perennial Program 2011

This program is available each spring, for a limited time at Telly's Greenhouse. In this program, you will find a large selection of Telly's grown, quality plants. These plants, in 2" pots are, tried & true varieties which have been vernalized, so they are ready to plant & perform in your garden from the onset. This gives you the opportunity to try a wide selection of plants in your garden for a very affordable price. These plants are regularly \$2.99 each, but if you buy 32 (or more), the price drops to an astounding \$2 each! Better yet, you can mix & match from these varieties to reach the quantity price break!
